MEET OUR CHEF, Danny Trace.

Executive Chef Trace received his formal education at the culinary arts program at Johnson & Wales University in Rhode Island. Trace then perfected his skills under Chef Jamie Shannon and mentor Ella Brennan in the kitchen of Commander's Palace in New Orleans.

Chef Trace later worked as Executive Chef at Café Adelaide and Commander's Palace in Destin and Brennan's of Houston, before coming to Potente and Osso & Kristalla.

Trace grew up in Louisiana where he learned about cooking from his Italian grandmother and Cajun grandfather.

"The most memorable meals for me are of my grandparents in the kitchen. My grandmother's family was from Milan and Naples and my grandfather was from Thibodaux, Louisiana. From étouffée to grand bowls of pasta, the marriage of these traditional dishes and family experiences is the very reason I am a chef."
